## Acknowledgement of Ordinance & Regulations Tree Protection and Buffer

**I expressly acknowledge** that:

I have read and understand Article XII, Buffer Requirements, and Article XIII, Tree Regulations, of the Zoning Ordinance of Georgetown County, South Carolina (collectively, the "Ordinances").

I have read and understand Article XIII Section 1301, General Tree Regulations County Wide, and its subsections, and am informed of the Ordinances regulating protected trees, prohibited activities, permitting process, landscaping, platting subdivisions, mass grading, tree maintenance, encroachments, and tree replacement, and other related matters in the Ordinances.

I have read and understand Article XIII, Section 1305, Enforcement and Remedies, and that in the event of any violation of Article XIII, the County shall institute appropriate legal action, and may impose fines and penalties, withholding approval of permits and certificates of occupancy, and issuing stop work orders.

I have had opportunity to review the Ordinances with the staff of the Department of Building, Planning, and Zoning, and am informed and aware of the Ordinances, and particularly tree protection requirements, PRIOR TO any development commencing.
