RE: **Residential Rental Property herein to be referred to as** Business Personal Property (BPP)

Dear Taxpayer:

The South Carolina Department of Revenue (SCDOR) and Georgetown County have agreed that the SCDOR will begin processing all Georgetown County Business Personal Property (BPP) Tax Returns, including residential rental returns, effective for Tax Year 2023. With this new process, you will no longer file with the Georgetown County Auditor's Office. You're now required to file with the SCDOR, using the SCDOR's free tax portal, MyDORWAY. **If you do not rent out this property or you rent the property unfurnished, you will not need to file a BPP return and can disregard this notice.**

9869PLRR 3/6/23 K

How to File with the SCDOR

- Visit dor.sc.gov/BPP to register your business using MyDORWAY.
- Following registration, the SCDOR will mail you a notice containing important access information to manage your BPP account and file your BPP return using MyDORWAY.
 - If you use a tax preparer, send them a copy of the SCDOR notice so they can manage your BPP account and file your BPP return.
- For assistance, contact the SCDOR's BPP team at BPP@dor.sc.gov or 803-898-7700.

Return Due Date

For Tax Year 2023, your returns are due to the SCDOR by April 30, 2023. For Tax Year 2024 and forward, returns are due to the SCDOR four months following your business's accounting closing period. Please be advised during this transition year, your business may have to file two returns in the 2023 calendar year depending on your business's accounting closing period: one for Tax Year 2023 and one for Tax Year 2024.

Assessment Value

The SCDOR will continue to assess your business personal property using the 10.5% rate as used by Georgetown County.

Billing and Payments

Billing and payments will continue to be administered by Georgetown County. Please contact us for questions regarding your bill or payment.

Sincerely,
